REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The applicant's arguments filed on 3/23/2007 with respect to the applicant's claim amendment filed also on 3/23/2007 are persuasive. Further search and consideration did not reveal any prior art that anticipated or made obvious the amended claims. The applicant filed a terminal disclaimer to obviate a double patenting rejection of the amended claims based upon U.S. Patent Number 6,542,962 as suggested by the Examiner during a telephone conference on 4/16/2007.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
